

WOW! Science Camp Supply List 2017

Parents,

Please bring these supplies on Monday of your child's camp session. In the hallway outside your child's classroom, there will be labeled bags or boxes for you to sort the supplies. Thank you for helping us to make Science Camp a wonderful learning experience for your child! If you have any questions, e-mail us at wowsciencecamp@sbcglobal.net or call 281-297-5955.

****Please send your child in socks and tennis shoes. Our nature walks will be near wooded or grassy areas. Apply sunscreen before camp. Also, it is a good idea to send a plastic grocery bag every day for the materials your child will be bringing home.**

Super Scientists Supply List (A)

1. 1 empty paper towel tube
2. Optional: 1 unused party blower, any size or type
3. A drink every day (juice or water bottle); Please label with your child's name.
4. Please send a small to medium bag of goldfish, Teddy Grahams, Ritz crackers, Graham crackers, popcorn, or other snack (nothing with peanut butter) with your child to share with the class for snack time this week.
5. Optional: Your child may bring small animals like earthworms, safe insects, doodlebugs, pet snakes, lizards, pet rodents, etc., for show and tell---no dogs or cats!
Two of the habitats your child is studying are wetlands and woodlands so animals like baby turtles, frogs, snails, toads, crayfish, and tadpoles are especially appreciated. We especially need little water snails. Label all containers with child's name. Please ask their teacher first at camp or e-mail Science Camp for permission if you are in doubt about a certain type of animal. wowsciencecamp@sbcglobal.net
