

# WOW! Science Camp Supply List 2018

Parents,

Please bring these supplies on Monday of your child's camp session. In the hallway outside your child's classroom, there will be labeled bags or boxes for you to sort the supplies. Thank you for helping us to make Science Camp a wonderful learning experience for your child! If you have any questions, e-mail us at [wowsciencecamp@sbcglobal.net](mailto:wowsciencecamp@sbcglobal.net) or call 281-297-5955.

**\*\*Please send your child in socks and tennis shoes. Our nature walks will be near wooded or grassy areas. Apply sunscreen before camp. Also, it is a good idea to send a plastic grocery bag every day for the materials your child will be bringing home.**

## Savvy Scientists Supply List (C)

1. A plastic mini water bottle with lid (8 ounce), empty with the label removed. Please write your child's name on the bottom of the bottle with permanent marker.
2. A CD disc; an old one is fine. This is NOT to use in a computer; it is for making a hovercraft!
3. 1 plastic bottle lid, screw-off lid type with drinking hole in lid, NOT the bottle. This is also for the hovercraft. Please place the lid in a baggie with your child's name on it.

These water bottle lids are from HEB and are perfect for the hovercraft: Texas Purified Drinking Water, 16.9 ounce and HEB MultiFit (vapor distilled water), 23.7 ounce. (Ozarka brand bottle lids do not work well.)

4. A drink every day (juice or water bottle); Please label with child's name.
5. Please send a medium bag of goldfish, Teddy Grahams, Ritz crackers, Graham crackers, popcorn, or other snack (nothing with peanut butter) with your child to share with the class for snack time this week.
6. Optional: Your child may bring small animals like earthworms, safe insects, doodlebugs, pet snakes, lizards, pet rodents, etc., for show and tell---no dogs or cats! **Animals like baby turtles, frogs, snails, toads, crayfish, and tadpoles are especially appreciated.** Label all containers with child's name. Please ask their teacher first at camp or e-mail Science Camp for permission if you are in doubt about a certain type of animal. [wowsciencecamp@sbcglobal.net](mailto:wowsciencecamp@sbcglobal.net)
