

WOW! Science Camp Supply List 2019

Parents,

Please bring these supplies on Monday of your child's camp session. In the hallway outside your child's classroom, there will be labeled bags or boxes for you to sort the supplies. Thank you for helping us to make Science Camp a wonderful learning experience for your child! If you have any questions, e-mail us at wowsciencecamp@sbcglobal.net or call 281-297-5955.

****Please send your child in socks and tennis shoes. Our nature walks will be near wooded or grassy areas. Apply sunscreen before camp. Also, it is a good idea to send a plastic grocery bag every day for the materials your child will be bringing home.**

Stupendous Scientists Supply List (B)

1. Two 16.9-ounce plastic water bottles with screw-on lids, empty with the labels peeled off
2. Optional: If you would like to donate a bunch of carrots or radishes, with the leafy stems, please do so. We need lots of them!
3. A drink every day (juice or water bottle); Please label with child's name.
4. Please send a small to medium bag of goldfish, Teddy Grahams, Ritz crackers, Graham crackers (especially needed this summer), popcorn, or other snack (nothing with peanut butter) with your child to share with the class for snack time this week.
5. Optional: Your child may bring small animals like earthworms, safe insects, doodlebugs, pet snakes, lizards, pet rodents, frogs, toads, small turtles, etc., for show and tell---no dogs or cats! Label all containers with child's name. Please ask their teacher first at camp or e-mail Science Camp for permission if you are in doubt about a certain type of animal.
