COMMUNITY SERVICE OPPORTUNITIES

We would love for all of our science camp families to partner with us in one or more of the following community service opportunities. *Collection boxes for all community service projects will be in the main hallway of the big church and in the lobby of The Woodlands Methodist School.*

1. **Food Pantry Drive for Interfaith of the Woodlands:** This has been a huge success for many years, and we would like to continue the tradition of community service options for our camp families! Basic items needed are canned or powdered milk, canned vegetables, canned fruit and fruit juices, oatmeal and cereal, canned meats, rice, beans, and pasta, pasta sauce, toilet paper, personal hygiene items and household cleaning products.
2. **Bebe's Books:** In honor of all our grandbabies, the Science Camp staff asks that you donate new or gently used children's books. These will be donated to needy children in our area.
3. **Breakfast Bags:** Meals on Wheels Montgomery County collects Breakfast Bags to give to food-insecure homebound senior citizens in our community.

Breakfast bag instructions:

- Encourage your child to decorate a paper lunch bag with drawings, quotes, or silly jokes. Be creative to brighten a senior's day!
- Fill the bag with 4 pre-packaged, nonperishable single servings items from the following list: 1-2 packets of **plain** instant oatmeal or grits, soft breakfast or cereal bar (no hard granola bars), small cup of peanut butter, pack of peanut butter or cheese crackers, juice box or single packet of instant coffee or individually wrapped tea bag.
- Roll each filled bag (burrito style). If donating more than one lunch bag, place all the rolled bags into a larger plastic Ziplock bag. Enjoy teaching your child about serving others!
